JOINTLY PROVIDED BY:
THE AMERICAN COLLEGE OF CARDIOLOGY FOUNDATION
AND
THE MISSOURI CHAPTER OF THE AMERICAN COLLEGE OF CARDIOLOGY
We are pleased to present the 2020 Missouri ACC Annual Update in Cardiovascular Diseases VIRTUALLY on November 7, 2020. This meeting will showcase the wide breadth of cardiovascular medicine that is present throughout Missouri. We will also be featuring other nationally recognized speakers including ACC President, Athena Poppas, M.D., F.A.C.C., Ami Bhatt, M.D., F.A.C.C. from Massachusetts General Hospital in Boston, MA, and Laxmi Mehta, M.D., F.A.C.C. from Wexler Medical Center, The Ohio State University in Columbus, OH.

This meeting will feature speakers from around the state speaking on a variety of cardiovascular disease topics in both plenary and breakout sessions for the whole cardiovascular care team. Topics include: prevention, ischemic heart disease, heart failure and pediatric cardiology. Fellows In Training from across the state will participate in Poster Competition and Oral Abstract Competition. The winners will represent the chapter at ACC.21 We will again offer a track with special topics tailored to CV Team members. NEW THIS YEAR: We will offer an education track designed specifically for Cath Lab Technicians.

We will also have a lively debate on Nuclear Stress Testing in 2020: A Proven Diagnostic Tool for the Modern Era or an Antiquated Relic?

We will close out the day with our Women in Cardiology Meeting.

We ask that you support this very important and informative meeting.

Statement of Need
Health care in the 21st century is coming to embrace advanced technologies in an effort to shift toward more individualized, patient centered and value based approaches that will focus on quality improvement and outcomes measurements. Consequently, it is essential that cardiovascular clinicians not only understand disease and wellness states, but be able to competently and appropriately implement new diagnostic and therapeutic modalities.

Target Audience
This course is designed for Cardiologists, CV Surgeons, Anesthesiologists, Internists, Primary Care Physicians, Physician Assistants, Nurse Practitioners, and other health care providers and CV Team Members.

Accreditation
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Cardiology Foundation and the American College of Cardiology, Missouri Chapter.

The ACCF is accredited by ACCME to provide continuing medical education for physicians.

Further, the American College of Cardiology Foundation (ACCF) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

The ACCF designates this live educational activity for a maximum of 7.0 AMA PRA Category I Credit(s)™

The ACCF designates this live education activity for a maximum of 7.0 continuing nursing education contact hours. This includes 3.0 Pharmacotherapeutic nursing contact hours.

Physicians and nurses should claim only the credit commensurate with the extent of their participation in the activity.

While offering credits noted above, this program is not intended to provide extensive training or certification in the field.
